Re: Release of Reclaimed Area, Interstate Brick Company, Snow White Mine, M/049/0030, Utah County, Utah

Dear Mr. Hewett:

On September 7, 2010, we received your request for a full release for 2.57 acres that has been reclaimed at the Snow White Mine. An inspection of the area found that the reclamation standards have been achieved (inspection memo enclosed). Therefore, the Division hereby releases you from further reclamation responsibility for this area. As per your request, the Division is not releasing any surety at this time. The surety excess may be applied to future amendments to your Notice of Intension that will disturb additional areas, or for future escalation.

If you have any questions or concerns regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310. In response, please reference our file number M/049/0030 regarding this project.

Sincerely,

Paul B. Baker
Minerals Program Manager
